*“Plaids have the unique ability to add warmth & character to any home..”*

Clare Jenkinson, Ulster Designer

From the warm picnic blanket feel of Beaumont to the traditional tartans of Glenmoy, plaids have been a favourite of designers and home owners for generations. A stalwart of British design, plaids and tartans are a part of our heritage, conjuring up images of wild moorlands, rugged country castles, roaring fires and cosy pubs. With a wealth of variations in colour and style, it is little wonder that the plaid has remained in vogue in the worlds of both fashion and interiors for centuries. This brochure will guide you through our Ulster plaids,

which have been carefully moulded and developed by our designers to bring you the beautiful collection we have today. Contemporary “of the moment” colourways have been combined with traditional patterns to create stunning floorcoverings which will add instant character to any home. The inherent luxury of an Ulster wool carpet brings a sense of warmth and cosiness...that feeling of being “at home”, kicking off your shoes and relaxing in your own little haven.
