BEAUMONT

Design Beaumont Quail

Design Beaumont Inkstone

Beaumont

Conjuring up images of picnic blankets, kilts and all things woollen and warm, Beaumont is a versatile, stylish and sophisticated plaid range by Ulster.

This traditional design has been brought into the 21st Century with subtle tones and carefully placed highlights of colour that create a carpet with depth and timeless appeal.

The beauty of plaid designs are their versatility and these colourways are as comfortable in a contemporary interior as they are in a traditional country house setting.
